

Ag Mechanics Teacher

Cascade School District is looking for the right fit for our cozy little mountain town to provide high quality engagement with our high school students as the Ag Mechanics teacher for grades 7-12 (Coaching opportunities available). Cascade School District and the community of Cascade is committed to enriching the lives of our students. Our Mission includes engaging every student every day in character development and rigorous education.

Job Description

The Cascade School District is seeking an enthusiastic and motivated Agricultural Education Teacher to join the Cascade staff. The ideal candidate will be able to provide students with a daily and ongoing instructional Agricultural Pathway program that will provide for them the best possible academic knowledge and skills as well promote the FFA mission in the community. This is a full time 7-12 position. Additional coaching opportunities may be available. Cascade school offers small class sizes, updated technology, and strong staff support.

MAJOR DUTIES AND RESPONSIBILITIES

Instruction:

1. Prepare for assigned classes
2. Design lessons with an appropriate level of difficulty that provide content in a logical and sequential manner
3. Employ a variety of instructional techniques and media, consistent with the physical limitations of the classroom and the needs and capabilities of the individuals or student groups involved
4. Meet and instruct assigned classes in the locations and at the times designated
5. Identify pupil needs and provide instruction appropriate to those needs
6. Analyze and interpret student data to develop and modify instructional activities
7. Follow modifications and accommodations as specified in Individual Education Plans (IEPs)
8. Implement the Idaho Core Standards, as well as the district's philosophy of education and instructional goals and objectives, in lesson plans, classroom instruction, unit planning, and assessments
9. Devise written and oral assignments and tests that require analytical and critical thinking as well as the reproduction of facts, and use them to evaluate student progress on a regular basis
10. Prepare students academically for district, state, and federal testing
11. Display command of the subject matter
12. Budget class time effectively

Other Duties to Students

1. Encourage students to strive to meet their highest potential
2. Establish and communicate classroom rules and encourage students to set and maintain standards of classroom behavior

3. Make provision for being available to students and parents for education-related purposes outside the instructional day when required or requested to do so under reasonable terms
4. Work to establish and maintain open lines of communication with students and their parents concerning both the academic and behavioral progress of all assigned students
5. Take all necessary and reasonable precautions to protect students, equipment, materials, and facilities

Professional Duties and Activities

1. Develop, advise and oversee the FFA student organization
2. As the FFA adviser, help students select projects and observes them set goals and produce successful outcomes based upon their work goals
3. Prepare high school students for careers within the country's largest job- generating agricultural industry
4. Fulfill an extended contract, depending on the FFA chapter commitment

Other

1. Maintain accurate and complete records as required by federal and state law, administrative rules, and Board policy
2. Input data in a timely fashion (Power School, Mile Post)
3. Assume responsibility for his or her continuing professional growth and development by attendance at professional meetings, membership in professional organizations, enrollment in advanced courses, and by reading professional journals and other publications
4. Adhere to The Code of Ethics of the Idaho Teaching Profession adopted by the Professional Standards Commission and the State Board of Education
5. Represent the school district in a positive manner
